

# Stamp with Wendy

## 10 Days to Sale-A-Brate 2014 -Day Three-

1. Take a 12x12 sheet of Whisper White cardstock and cut it down to 12inches x 10inches.
2. Take the scalloped image from Petal Parade stamp set and ink up with Strawberry Slush ink. Stamp it at the top left corner of the Whisper White cardstock, so that you are stamping along the 12 inch edge, as shown in image above. Repeat this step so that you have a scalloped edge across both the top and bottom edges, reinking the stamp with each impression.
3. Take the largest flower image from Petal Parade stamp set and ink up with Crisp Canteloupe ink. Stamp it randomly, three times (reinking after each impression) down the left side of the Whisper White Cardstock.
4. Take the smaller flower image from Petal Parade stamp set and ink up with Strawberry Slush ink. Stamp it randomly, three times (reinking after each impression) down the left side of the Whisper White Cardstock, in amongst the larger flowers, as shown in image above.
5. Take the flower burst image from Petal Parade stamp set and ink up with Pistacchio Pudding ink. Stamp it next to each flower image (reinking after each impression), so that it gives the appearance of leaves.
6. Adhere a 4x6 photo to the right of the flower images, as shown in image above.
7. Cut a piece of Crisp Canteloupe ruffled ribbon measuring approx. 30cm. Adhere to the centre of a 30cm piece of whisper white 5/8" Organza Ribbon. Adhere this strip along the bottom edge of the photo with Sticky Strip, ruffling and bunching it as you go.
8. Adhere two cork flowers from the Sweet Sorbet Accessory pack at the left end of the ribbon.
9. Adhere large Basic Rhinestones to the centres of the two cork flowers and in a row of three at the top right of the photo.

10. Cut your title from chipboard using the Typeset Alphabet Bigz Die. ***NB: For chipboard, I used the backing board from my Happenings Simply Created Kit.***
11. Using a sponge dauber, ink up the chipboard title with Strawberry Slush ink.
12. Adhere the title above the photo, using 2-way glue.
13. Adhere the Whisper White page to the centre of a sheet of 12x12 Crisp Canteloupe cardstock.
